

Celebrating CHART Institute's 15th Anniversary

Dream It..

Embrace It..

Empower It..

Improving Patient Safety Together Award

CHART Institute recognizes the important role our members have in improving patient safety and acknowledge the need to celebrate their success, so we created this award in honor of our 15th anniversary.

For this award, members share a project describing how their team improved patient safety over the past 12 months. Award recipients determine how to use the \$500 award to celebrate their team's success.

Submission Process

Members must submit an application to CHART Institute briefly describing the recent project by August 30. Once the application is received, the team will be contacted to schedule a time for them to record their story.

The recorded sessions will be posted on the member website during the 2024 CHART Institute Virtual Conference, October 14-25. Members will have an opportunity to vote for their favorite project. The award recipient(s) will be announced on the final day of the conference, October 25.
